The petitioner was granted a regular permit. He has also produced current records of the vehicle. The complaint of the petitioner is that the respondent is not taking steps to settle the timings and to issue the permit.

2. The learned Government Pleader submits that timings can be settled and permit issued only in accordance with the priority of granting regular permits.

3. In the above circumstances, this writ petition is disposed of directing the respondent to settle the timings of the permit of the petitioner and to issue permit in accordance with the priority of granting regular permits. Needless to say that this can only be after convening timing conference and hearing all parties concerned.
